7 May be some day you would
like to spend your vacation
in Alabama. Our April
is lovely, but I'm afraid
our summers would be
too hot. October is a nice
month too. (The latter part of)
Camden is a very sleepy
old southern town, but we

8 love it and our friends
here whom we have known
a long, long time.
John says he expects to write
you a special note of
appreciation. My daughter
Ill had a lovely birthday cake
for him. Your card was read
as quite a lovely feature of
the occasion. Then a week

9 later, I was in Birmingham,
Alabama, when he forwarded
your card to me. I was
overcome that you should
remember me so beautifully.
Please, believe me when
I say that my delay in
